Sunday 9th June

## Message from Felice Kelly - Head of Primary

### IMPORTANT MESSAGES:

End of year reports published  
Sunday 23rd June.

Dear Parents,

We are thrilled to report that Transition Day was a fantastic success! The children thoroughly enjoyed visiting their new year groups, meeting their future teachers, and getting a feel for what the next academic year will be like. It was wonderful to see their excitement and enthusiasm as they participated in various activities and began to familiarise themselves with their new learning environments.

A special highlight was the opportunity for students to engage in fun and interactive sessions that helped them build confidence and ease any anxieties about the upcoming changes.

In addition to Transition Day, we want to extend a huge thank you to our incredible Year 6 team for organising a memorable Year 6 leavers' party. The event was a perfect send-off. The children had an amazing time celebrating their achievements and the friendships they have built over the past two years. It was a fitting way to mark the end of their primary school journey. We wish them all the best for secondary school.

Thank you for your continued support and have a lovely weekend, Felice Kelly.

## Upcoming Events

### Term 3:

Reception Graduation: Wednesday 12th June 7:30am

## Uniform

This is a reminder that students who joined the school during the 2021-22 academic year and may still be wearing parts of the old uniform will be expected to fully transition to the new uniform introduced in September 2022. This change will take effect from September.

The full list of the uniform can be found through the following [link](#)

## Road Works

You may have noticed that road works have begun just before Gate 2 on the corner. The purpose of these works is to widen the road and ease congestion at the intersection. I apologize for any inconvenience that the road widening project may cause in the short term. However, once completed, it will ensure a better flow of traffic.

I would also like to thank all parents for the supportive way they have worked together to ensure that our students are picked up and dropped off safely. I am confident that our community will continue to cooperate with each other until the road works are completed.

Thank you for your understanding and patience.
