

DOHA BRITISH SCHOOL

AL WAKRA CAMPUS

Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

June 09 2022

Dear parents,

We will hold our final parental consultations of this academic year on Monday June 13. Meetings with teachers will take place in school and will run from 14.00 – 18.00, with sign-up instructions send to parents of primary & secondary parents respectively by Mr Braithwaite & Mr McGuire. The consultations will follow the release of the term 3 reports, which will be available for download via our parent portal prior to the day itself.

I hope that all parents are able to attend these meetings, but if this is not the case then we should remember that channels of communication between home and school are constantly open and that we encourage regular contact between teachers and parents at all points throughout an academic year. Indeed, we work against the principle that there should be no surprises at all on a child's educational journey; whenever there is information of any kind, we will always endeavor to let parents know immediately. Parents can contact either senior leaders or teachers using many means – text, Class Dojo, phone call or even coming into school to speak to us. It should never be difficult to speak to a teacher and we will do our best to keep relationships strong and positive within our DBS Wakra community.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
