Application for Admission to Doha British School

Dear Sir/Madam

Doha British School is a pre-eminent English National Curriculum international school in Qatar. As such the demand for school places often exceeds our ability to meet that demand. You are advised that an application to the school does not guarantee the offer of a place.

All applicants incur an initial, and non-refundable, charge of QR350. At this 1st stage every application is considered by our admissions team. Priority is given to those applicants that meet our minimum entry requirements (This will be determined by Early Year reports from nurseries and/or kindergartens in addition to information contained within the application form).

Those that are deemed not to have met these requirements are notified immediately so that they can seek places elsewhere. There is no appeal against this decision.

Those applicants who do meet our entry requirements will be placed on hold until a suitable opportunity arises for them to move to the 2nd stage of the application process (please refer to our Admissions Policy for further guidance). Applicants who are invited to attend a formal assessment will be charged QR223 (non-refundable). The results of these assessments are the property of the school and places will be allocated at the discretion of the Principal.

Those applicants who are assessed and are successful, may be placed on hold until such a time as a place does become available. Again, these places will be allocated at the discretion of the Principal.

Parents or Guardians must sign below to indicate that the terms and conditions relating to the admissions process are understood and are agreed to.

Sincerely

Andrew Hurts
Principal

I acknowledge that I have read, understood and agreed to the terms and conditions of the Admissions Policy of Doha British School:
